APPOINTMENT OF CHIEF OPERATING OFFICER

Hunnu Coal is very pleased to announce the appointment of Dr Batjargal Tsog as Chief Operating Officer of Hunnu Coal Limited. This is a key executive appointment that will enhance the effective management and strategic development of the Company in Mongolia.

Dr Tsog has over 10 years experience in the energy and power sector. Dr Tsog has a PhD in Technical Science from the Mongolian University of Science and Technology and an MBA from the Asian Institute of Technology in Thailand.

Dr Tsog has been employed in senior management roles by Mongolian branches of World Bank / UNDP and the AES. He has been actively involved in the development of infrastructure and energy projects in Mongolia as well as coordinating government and industrial relations. Dr. Tsog was involved in development of Energy Resources UHG Tavan Tolgoi Coking Coal Project with a focus on integrated power and infrastructure support to this large coking coal operation.

Dr Tsog will play an important role in the business and technical management of Hunnu Coal as the Company moves towards initial production at its thermal and coking coal mines. Hunnu Coal has been able to quickly recruit an extremely capable and experienced management team and is well placed to meet its future growth ambitions. Exploration and drilling programmes are well underway and are already delivering exceptional results.
